Declaration

Before signing the declaration please read the following:

Listening Ears aims to promote equality of opportunity for all with the right mix of talent, skills and potential. Listening Ears welcomes applications from diverse candidates. Criminal records will be taken into account for recruitment purposes only when the conviction is relevant. Unless the nature of the work demands it, you will not be asked to disclose convictions which are 'spent' under the Rehabilitation of Offenders Act 1974. Having an unspent conviction will not necessarily bar you from volunteering. This will depend on the circumstances and background to your offence(s).

I declare the information that I have provided in support of this application as well as the CRB information sheet is complete and true and understand that knowingly to make a false statement for this purpose is a criminal offence and that I have not omitted any facts, which may have a bearing on my application.
